# WONDERFUL AND LOVED BY ALL

aka  
**Underbar och älskad av alla**

Bella is a self-declared actress but with a rather small list of achievements. She is pushing forty, constantly broke and has very little else to show for herself. Not much is going her way, so one day she decides to be a little creative in a CV she sends around, pretending she has developed acrobat skills. Good for her, Ingmar Bergman is precisely looking for a gymnast actress able to perform serious acrobatics for his new play. Bella gets the role of her life, but her small lies will lead to big consequences...

## ■ ABOUT MARTINA HAAG

**Martina Haag** is a Swedish writer, columnist and actress. She writes for Elle Magazine and is the author of several novels, including *Wonderful And Loved By All*, a bestseller published in 2005. For the adaptation of the novel in cinema, Martina Haag wrote the script together with Måns Hergren, and played the lead role of Bella, a character that one could describe as a Swedish sister of Bridget Jones.
