

One Act Of Kindness By One Man Changed The World

“A MIRACLE.

Called ‘Britain’s Schindler,’ (Winton) easily could be the subject of a big-screen Spielberg epic. ‘Nicky’s Family’ shows (his) incredible journey, and best of all, the very happy ending. Like those scrapbooks, it’s just waiting to be discovered.”

- S.C. JOURNAL

“TOUCHING AND MOVING...

The overall feeling is one of pride: of one man’s success, of human strength, kindness and selflessness.”

- TOTALLYJEWISH.COM

“IF EVER A BRIT DESERVES THE ‘SIR’ NOW ATTACHED TO HIS NAME, IT’S NICHOLAS WINTON.

The story of his ever-growing family deserves to be told and retold.”

- PITTSBURGH POST-GAZETTE
